REPORT ON MEDICAL CAMP AT MANSIRI

ORGANIZED BY: PARTNERS IN
COMMUNITY CHARITABLE TRUST
(REGD. NO. 286/IV/2026)

A one-day medical camp was organized at Mansiri by the Partners in Community Charitable Trust, with active support from Baptist Christian Hospital, Tezpur. The camp was led by **Dr. Jerine Liankimi** and supported by a dedicated team comprising **three nurses** — *Mrs. Rita Kujur, Miss Minati Horo, and Mrs. Anju Chhetri* — along with *Mr. Amalchand* from Baptist Christian Hospital.

Three social work interns from **Tezpur University** also joined the team. In addition to assisting with patient registration and logistics, they conducted **health awareness sessions** for the community on topics such as personal hygiene, nutrition, and preventive health practices.

A total of **92 patients** were examined and provided with necessary medical consultations. **Medicines were distributed free of cost** to all beneficiaries.

The organizing team extends heartfelt gratitude to **Mrs. Jenny Mandal** and her husband from the Partners in Community Charitable Trust for their initiative and generous support in making the camp possible. Sincere thanks are also due to the **CNI Church**, Mansiri, for their warm hospitality and for providing a **hearty lunch** to the entire medical team.

The camp concluded successfully, fostering community health awareness and strengthening partnerships for continued outreach and holistic community well-being.
